Project Update

Upcoming In-Suite Construction & Water Restrictions

Dear Residents,

Thank you to everyone's continued support with water restrictions this past month. We're very grateful for your support, and are excited to announce a break from restrictions this next week.

Please take a moment to read the updates for the upcoming construction in your suite, and as always please send me any questions you may have.

Upcoming In-Suite Construction

The in-suite construction begins on October 14th through June of 2020. If you haven't had a moment to listen to the town hall, or review the anticipated construction dates for your suite, please take a moment to review the documents below. Please send any questions my way!

Town Hall PDF Documentation

No Water Usage Restrictions this Week

No water restrictions next week from Sunday, September 8th through Friday, September 13th.
Please note, water restrictions will begin the following week beginning Sunday, September 15th.

Please feel free to reach out if you have any questions at all to kristi@cmpcorp.net, or call me at (619) 507-8940.

Thank you!
