

Yorba Linda Reconstruction Schedule

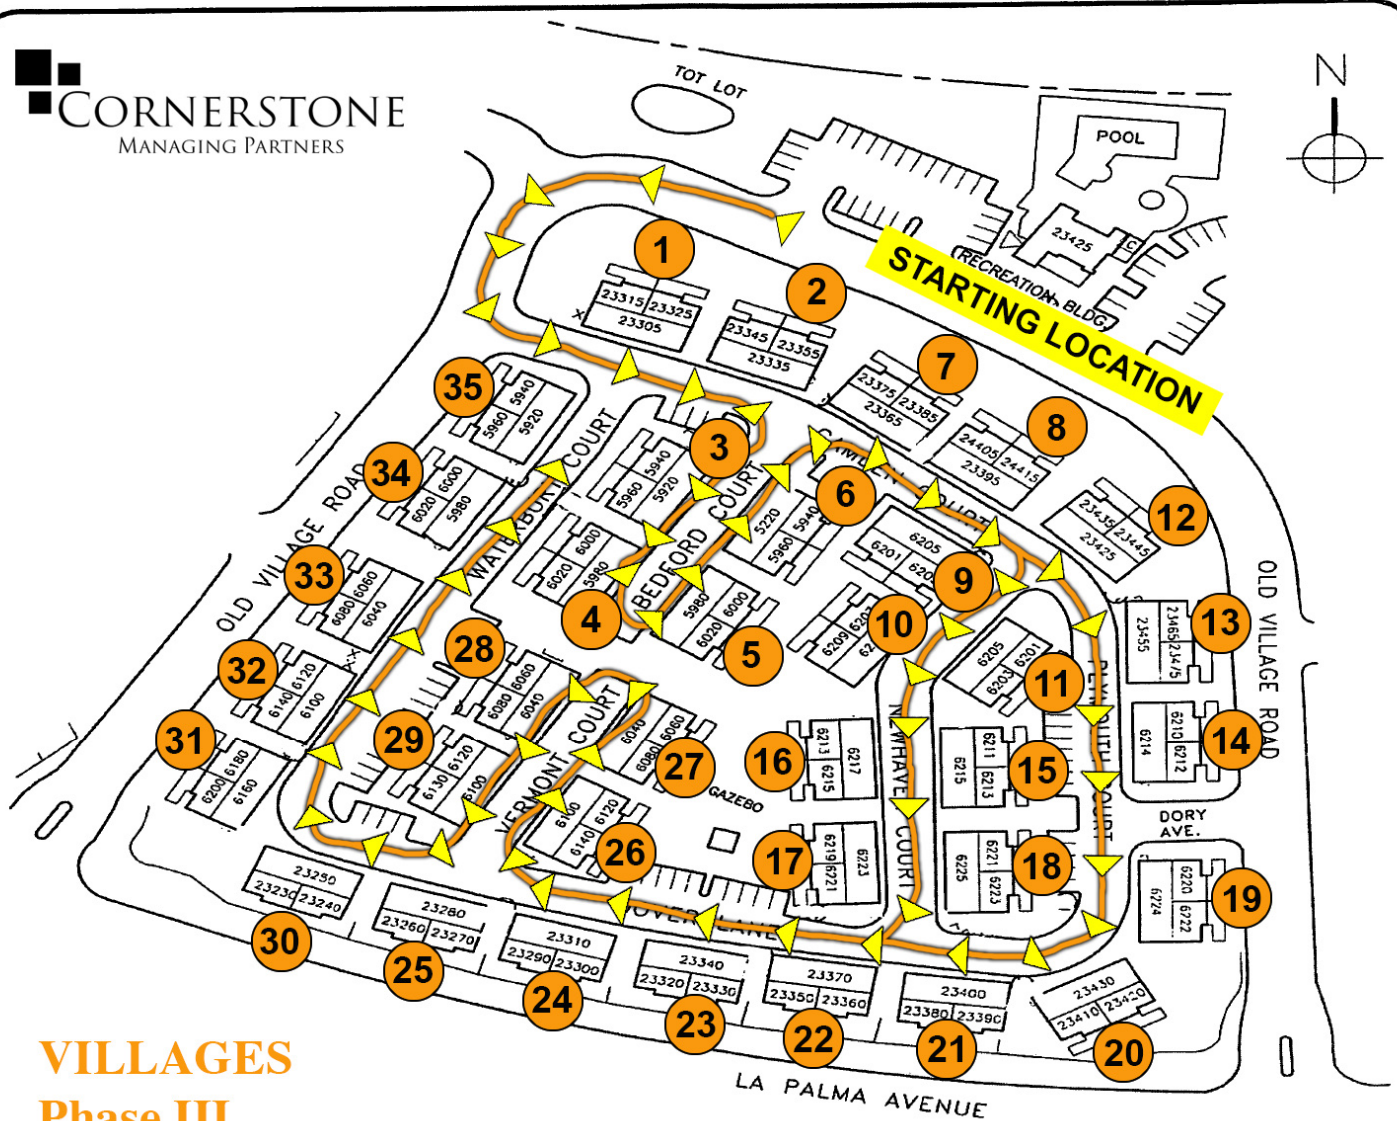

The Yorba Linda Reconstruction project will be completed building by building. The construction team is transitioning to Village III. The estimated dates for Village III, Buildings 1 – 35 are outlined below. Please note, these are an estimated schedule and subject to the crews workflow and any weather delays. The on site team will update you as your dates near with any changes.

KEEP IN MIND – WEATHER DELAYS

Schedule adjustments are guaranteed to occur throughout this project due to intermittent weather issues. Affected units will be notified by email as needed.
